

Invitation for Expression of Interest and Consultancy Proposals

The Department of Health and Wellness invites submissions of Proposals for a Consultancy to develop a national tobacco control policy and action plan in Saint Lucia. This project is funded by a grant received from the Bloomberg Grant Initiatives through its subsidiary organization, The Union Against Tuberculosis and Lung Disease (the Union) and implemented by the Substance Abuse Advisory Council Secretariat, of the Department of Health And Wellness. The details of the Tender are available on the new Electronic Government Procurement (EGP) Portal.

Submission of Technical and Financial Proposals

*Technical and Financial Proposals should be submitted via the Electronic Government Procurement Portal using this link: <https://in-tendhost.co.uk/goslprocurement/aspx/Home> The deadline for submissions is **Monday May 31st, 2021** (three weeks after advertising date). The portal will not receive proposals after this date. The deadline for clarifications is May 21st, 2021, to be submitted through the EGP.*

Instructions for submission of EOI's and Technical and Financial Proposals are provided in the Proposal Manual for this consultancy, available on the EGP.
